Dear Sir:

Since writing you
we find that we are
short on Dallas Bank
1803 and that we
can use some more
half dollars at about
face - and 1790 and
1803 we are pretty well
out of - also gold dollar
small size -

The Medal of Emancipation
no. 78 - we lack 150 The
Pine Street Bank has none.

It would not trust - and
in his opinion would not
put in the collection -
do you know anything
about the book that
would give a doubt
as a falsification. He
claims he himself is some
what of a judge - and
do not doubt its
genuineness -

Sir: Yours of 20th with
 we are
 satisfied with your
 explanation on all
 points but as to their
 genuineness, but you know
 that many of our customers
 want to be made and
 like to express our opinion
 and if possible to get
 something of credit on
 your dealer on
 the momentary way of
 doing business.

as we must on entirely
but we must say of the
house lot full of
and the old building
now late - in fact we
never experienced a time
to supply our customers
wants - we may be changed
soon all will be for
colours again and may be
loaded down with the
dark colour.

Love backy not a hand
at the present matter the
will be in of some other
things for purchase of

less 10%

for which

20.25

We will find our A. C. with
to balance the sum.

The 127.93 instead of
128.93 was the correct amt.
In the draft sent you, I had
erroneously added a dollar
for your error and to cover

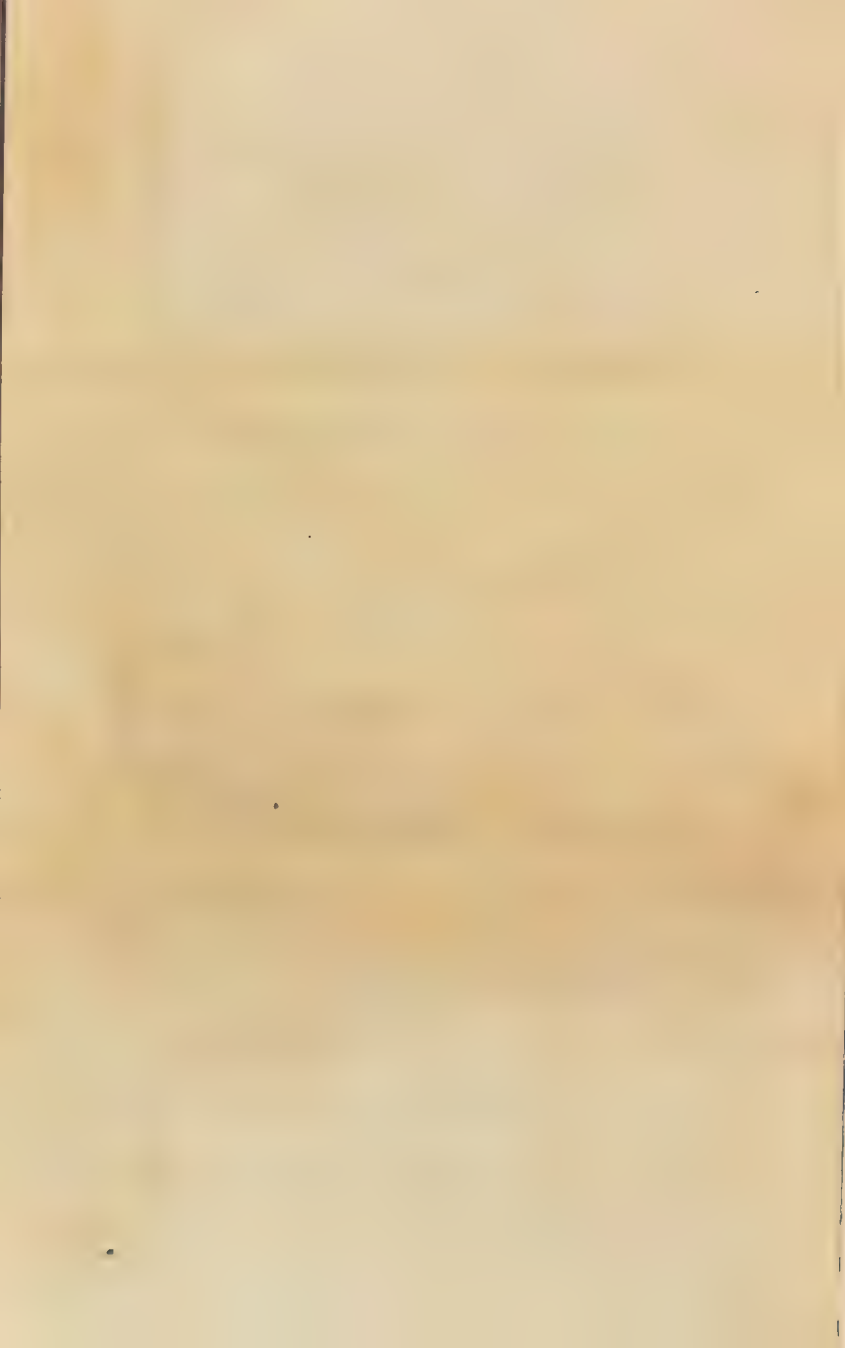

best recollection deducted
a dollar for some apiece
but cant tell now; the
store paid in your hands
will make that balance

In regard to the 5 Cuts
we returned them unopened
in the box of books when
we sent back and cleaned
up the entire lot — By
the way cant you make
up another lot books
after the same ^{little} ~~lot~~
series — about a sixty
dollar batch

Now we believe
all our items are accounted
for up to and leave the
two invoices on our hands

There is a matter
we never have spoken of
and that is in regard

to the goods in our hands
would - whether we are
held responsible for them
in case of burglary or
fire or any other accident
that may arise while we
have them on sale. You
of course must have
had some experience and
have been able to manage
risks. Our facilities for
the storage of all our
supplies are excellent &
we do not feel in any
such situation to arise
and as I only (to know)
what the conditions would

the price at 1⁰⁰ each
is fair.

Our idea is that the

we look at the grand

As the seasons
work out we need
all our time and
some money in order

Now our idea

we will see it in the

all the goods.

As for the matter
of the (season) winter
it will be a small and busy

apparently you have

I have some money in my

right, but one would be
enough. Also you have in

you have included a little
more in the list of \$100.
